

## CUSTOMER INFORMATION

Graz, January 2015

### **Our cooperation for your success!** **avintos Flow Control Vertriebs GmbH and Flowtec Industrietechnik GmbH**

Dear ladies and gentlemen!

It is a pleasure for us to announce that the companies **Flowtec Industrietechnik GmbH** in Graz and **avintos Flow Control Vertriebs GmbH** in Vienna have merged from 1.1.2015 on. For you as a customer, a large number of advantages result from this strategic merger, some of them are particularly emphasized below:

- \* **Larger product portfolio** according to the principle "Providing a one-stop solution"
- \* Products of **internationally leading manufacturers** for almost all applications and uses
- \* **Closer distribution network** and therefore a **more intensive on-site support** for you
- \* **Large valve storage in Vienna and Graz** for shortest possible delivery times
- \* **Assembly, installation, and testing of valves** in our own valve workshops

It is important for us to expand the services of both companies. The long term cooperation of both companies with customers and suppliers led to a deep technical expertise. From this experience you will be able to benefit more than ever, according to our motto "a one-stop solution".

Both companies are further available under the familiar addresses and phone numbers.
